Myke,
(I bet you could spell my name any better!) Before you read all the nice stuff I'm supposed to put in here I want you to know it's NOT true. Only kidding it's been fun & now it's over these past 3 years. (I still think you should have been drum major, dweeb!

Luv Ya!

P.S. Please tell my brother next year

Mike, Mikey, Myke, and everything else,
How can anybody be as smart as you and yet so dumb at the same time. (Not really) Actually you're really great fun to be around. I just love all those gross things you talk about, it really turns me on. Oh well band has been a blast and Spanish has been different. Right? Gotta go

Love ya

Lakeview Centennial holds the future for each of us. With each sunrise comes the promise of new opportunities.

We must take advantage of these opportunities and also take pride in the things we do. This pride in ourselves and in Lakeview has built the traditions here. As our traditions grow so do the memories of laughter and tears that bonded our friendships created within Lakeview.

This book of memories is dedicated to the students and staff of Lakeview. You are what makes this school what it is today and what it will be in the future. This book is for you so that in the future you may look back and relive the joys, heartbreaks, and friendships that meant so much in days past.

This is the year that Patriot Pride was on the rise. During this year standards and traditions were set higher than ever before. We took advantage of our opportunities and took pride in things we did.

Mike, (Bubba)

Hey cutie.

I'm so glad that we became so close friends these last three years. It would have been a blast if you could have graduated with me. I'm gonna miss you a lot next year, and the whole band. It is like my family. I love it very much and I'd do anything in the world for it anytime. This year was the Best year by far. We really showed up everybody now next year, you guys better make it better! I know you can. Y'all have a great set of officers for next year. If everybody will just get behind them it will be the very best year! I'll miss you next year!

Just remember this:

If you have built mountains in the sky,
no work has been lost,
for that is where they should be.
now just put fountains under them.

Love you!

# ACT

# VITIES

All signed up, now how to get there.

Shorts and T-shirt – summer was still going strong at registration.

Freshmen show pride in their new home.

Schedules were checked and rechecked to make sure everything was right.

# Hopes High as Year Begins

The year started out with much hope that it would be the best. At registration one could feel a sense of enthusiasm among the students and faculty as the first days of summer ran down and the school year drew near. Familiar faces could be seen talking and laughing about old times, and some new faces could be spotted here and there.

Final adjustments in schedules were made, room numbers and parking stickers were issued, and then for most, all was set for the upcoming year.

For the new students, however, there was still orientation. The "pep rally" was to familiarize the new Patriots with the policies, goals, traditions and the personnel of Lakeview. The band, drill team and cheerleaders performed and Mr. Chumley briefed everyone on school policies and traditions. Afterwards, the students broke into smaller groups to be briefed further.

After a long, hot summer, students and teachers alike seemed anxious to get back into the swing of things. Hopes were high as Lakeview prepared to begin its fifth year.

Armed with combs to cokes, students prepared for pictures.

# Pats Shine in Jubilee

The Jaycee Jubilee and Labor Day Parade are a Garland tradition. Lakeview was the first entry in this year's parade, which was the largest in Garland's history. It broke records for size, attendance and participation.

Lakeview delighted spectators with performances by the cheerleaders, Minutemen, flag corps, band and drill teams.

The Jubilee activities climaxed Labor Day night with Lakeview senior Carol Johnston being named Miss Garland. Lisalee Thatch and Debbie Welk were finalists in the contest.

The Sweethearts looked great as usual.

## Just Relaxing

Even with a hectic school schedule, students could find a little time to relax. Homework and school activities had their place in the daily routine, but fun and recreation could always be squeezed in.

Some found it at the State Fair or at the movies. Then there was that great American past time, working on the old car. Some people released pent up energy with a good work out in the gym or by playing a game of basketball or football with friends.

Of course, for many Lakeview students spare time meant a chance to sit down and rest, if only for a moment.

# Raising Funds

This year, the Student Council held their annual magazine drive from September 11 to September 25. After two weeks of hard sell and sweat, a total of $8,234.22 was earned.

A representative of the drive gave a pep talk to students, along with a few helpful hints on how to sell to friends, neighbors and relatives. An added incentive was the prizes given to top salespersons.

Student Council sponsors many activities during the year, such as the spirit dances, Homecoming and the Centennial Ball. The magazine drive money was used for these activities.

## Patriot Pride

Patriot Pride means more than yelling at football games and pep rallies, dressing in blue and gold on Friday or decorating halls and cars with signs and crepe paper. One could see it throughout the student body and faculty all year — a support and admiration for the achievements of all segments of Lakeview. Many people, some not even related to the school, commented on the high spirits and enthusiasm present in the students. This proved to be a very spirited and rewarding year in all aspects of Lakeview.

## It's Pep Rally Time!

When classrooms and halls were empty, but the school was far from quiet, Friday was here and the population of Lakeview had gathered in the gym for another pep rally.

In the crowded gym, applause, cheering and Fight Song filled the air as the team came in. The student body led by cheerleaders, Minutemen, Sweethearts, Liberty Dolls and the band, all did their best to show as much spirit as possible.

Our weekly pep rallies gave the entire student body a chance to unite and show their Patriot Pride in an exciting way.

## "I love the night life . . ."

After each home game, students gathered at school to dance the night away. Various organizations sponsored dances to raise money and help keep up the spirit at Lakeview.

Deejays played everything from country and western to new wave and all the latest hits. Flashing lights kept the beat as students danced until dawn, or at least until twelve.

Spirit dances were a favorite tradition at Lakeview.

## Getting There

No one seemed aware of the energy crunch at Lakeview this year. Scores of cars, motorcycles and trucks flooded the parking lot each morning. The multitude of vehicles made for much variety in the crowded parking lot. Everything from sleek sports cars to the ever popular clunkers challenged each other for space.

Motorcycles were in abundance and trucks had increased in number from previous years.

But, many people still rode the old familiar school buses which rolled in every morning like clockwork.

The crowded parking lot, a common sight.

When all else fails, there's always the bus.

# Trying to beat inflation

When the bell rang at 3:15 each day a great many students went, not home or the nearest McDonald's, but to an after school job. More and more students work after school today. Their part-time jobs allow them to pay for cars and gas, save for college, or just have a little extra spending money.

Although working and going to school make for a full schedule, most students managed to keep going.

# The Lakeview Look — in style, varied

Fashions were a big factor at Lakeview this year. Everywhere you looked people were in something new and different.

Some styles were influenced by popular movies such as "Urban Cowboy" and some, like the surgical green suits seemed to pop up from nowhere.

Popular styles this year were the western look (boots, plaid shirts and vests), the preppy look (wool skirts, topsider shoes, and sweaters), new wave, (thin ties, spiked hair and buttons), the designer jean look (any jeans with someone's name on the back pocket), concert T-shirts (the name of your favorite group scrawled across the front) and many other hybrid styles (urban-prep, etc.)

With all of these fashions around school, one could just walk down the hall and see that Lakeview was home for many different people with many different tastes.

But Doctor . . .

# Haunted Halls – Halloween's Here

Ghosts, witches, demons and creatures of darkness stalked the halls. Lakeview was transformed into a chamber of horrors, at least for one day. Halloween had arrived and the undead, or what appeared to be the undead, roamed from class to class.

Many of these ghouls had worked nightly for the past week at haunted houses set up by various organizations. Others had crawled out of their graves just for this one special day (and night).

Excellent participation made this day one of the most interesting Lakeview had had in quite some time. Even faculty and staff members got into the act, with the normally nice ladies in the offices appearing as witches at the pep rally.

Everyone has their hangups.

## Homecoming — a week of spirit

During football season each year, one week seems to overflow with spirit and Patriot Pride. It is Homecoming, a week of traditions old and new.

Tuesday of this year's Homecoming week, students and staff gave Friday night's opponent, Highland Park, a Hawaiian Punch by dressing in Hawaiian attire. Wednesday everyone wore warm-up suits to "warm up for the Scots." Student Council sponsored a hall decoration contest between the classes.

Thursday was jersey day and students wore football jerseys to show the football team that they were behind them.

Then came Friday. Spirit was high as exes began to return and students dressed in blue and gold and wore hats to promote more spirit for the big game.

During the pregame ceremonies that night fans eagerly awaited the announcement of the Homecoming Queen. Soon the tension was broken and Amy Langford was crowned the 1980 Homecoming Queen.

# 'Fantasy' ends great week

The theme of the 1980 Homecoming Dance was "Fantasy under the Big Top." Students had a chance to win prizes at a game booth, eat cotton candy and popcorn, and have their pictures taken with circus figures.

The coronation ceremonies began at 8:30 with the presentation of the Homecoming court. Then Queen Amy Langford was crowned and took her seat upon the throne. Freedom serenaded her and she and her date danced the first dance. The Homecoming court and their dates then joined in dancing among hundred of falling balloons.

The ceremonies kicked off an evening of dancing and later many went out to eat at restaurants around Dallas.

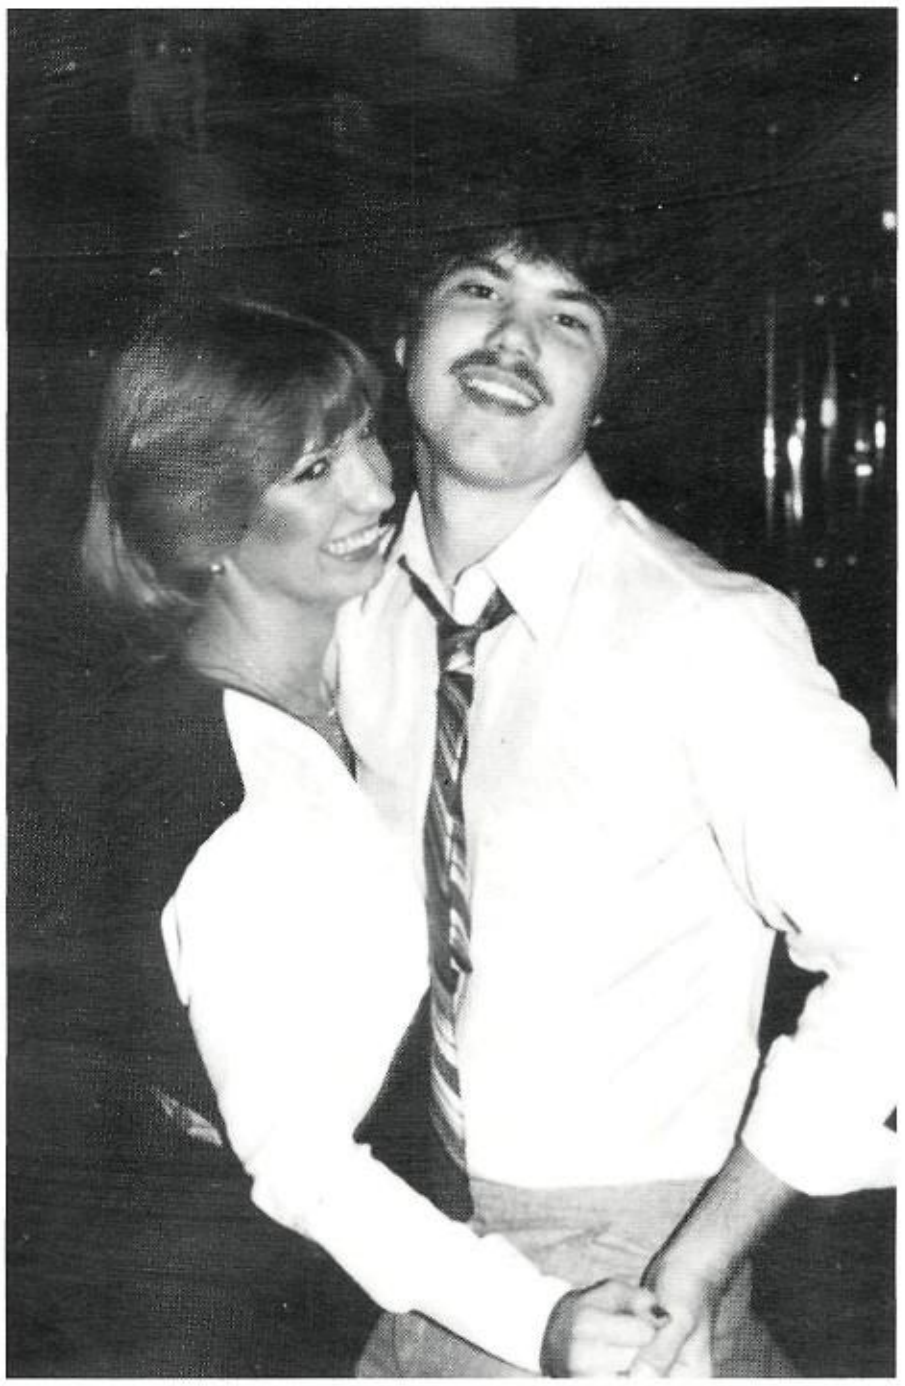
The whole evening was considered a successful climax to a week of Homecoming activities that made Homecoming 1980 the best yet.

The carnival atmosphere brought a lot of clowns.

Close friends.

Look into my eyes . . .

Hurry, hurry, step right up!



Even ex-seniors can still dance.

Do not open until Christmas.

Oh Christmas tree, oh Christmas tree . . .

Students will do anything to get out of class.

A little more to the left.

# A Scholastic Christmas Carole

Twas the week before Christmas
And all through the school,
Students were lying around trying to look cool.
We were asleep, all snug in our desks,
With visions of winning door decorating contests.
When out in the hall there arose such a clatter,
We sprang from our desks to see what was the matter,
When what to our wondering eyes should appear,
But foreign language carolers drawing near.
We ran to the door so lively and quick,
Forgetting our schoolwork, our notebooks, and our Bics.
To the end of the hall these carolers got
And around the corner went the whole lot.
So we drew in our heads and were turning around,
When all of a sudden there came a new sound
Of the bell ringing so loud and clear
That we knew that the holidays now were here.
And as we left we heard someone say:
Merry Christmas to y'all,
and Happy Holiday!

Christmas at Lakeview is fun even with a broken leg.

Students were really enthusiastic about the door decorating contest.

WASHINGTON (AP) — With gospel hymns and opera, bluegrass and ballet, the capital is whooping it up for the inauguration of Ronald Reagan — a celebration made all the sweeter by brightening prospects for the hostages' release.

Reagan, who will become the 40th president of the United States

Texans in Washington, Page 1C.

of John Tunney, contributed to the exultant euphoria Sunday on his way to church by saying it was time up the hostages, "I'll sign anything."

The president-elect and his wife, choosing carefully which of the events of inaugural events to attend, worshipped at the National Presbyterian Church and attended luncheon.

In the evening, the Reagans and he George Bushes went to the Kennedy Center for the Performing rts and received ovations at three black-tie inaugural concerts. At the enter's Opera House they watched performances featuring ballet star Mikhail Baryshnikov, who presented Reagan with a black derby om the performance.

"Try our good luck hat," the ancer said.

"I don't wanted the steps yet," esponded.

At the Center's Concert Hall, the o couples joined in the singing of e national anthem and listened the National Symphony's rendiion of the theme music from ng's Row, considered one of eagan's best films.

Reagan long ago flashed wrd ing the inaugural speech that will set the tone of his administration. A senior transition aide said the speech, 15 minutes long, will "give Americans a sense of what kind of president Ronald Reagan is going to be."

The theme is "Begin an era of renewal," the official said. "The tone is upbeat, can-do spirit, tap the American spirit, trust in the people, cut back on government, give more power to the states. Its content is economic urgency move on inflation, taxes and big government ... it tells the Reagan constituency they have an ally in town now."

Reagan will deliver the speech from the flag-festooned west front of the Capitol, reading from 5-by-8-inch cards. The transition aide said Reagan wrote 70 percent of the speech in longhand on a yellow legal pad during a recent 5-hour flight to Los Angeles from Washington.

"This is what he wanted to say," the aide said. "This is the way he wanted to say it."

The Bible Reagan will use to take the oath of office belonged to his mother, Nelle Reagan, and will be open to II Chronicles 7:14.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sin, and will heal the land."

Vice President-elect George Bush and his wife, Barbara, were the attractions at some inaugural parties Sunday.

Mrs. Bush, who fell and cut her leg at the Texas Inter Society party Saturday night, wore a bandage as she accompanied her husband to three receptions in less than an hour.

One reception, for 15,000 guests at $10 a head, had neither Reagan nor Bush as an attraction. Instead, 32 state and territorial governors were featured, and Reagan's eldest daughter, Maureen, was there briefly. Former Gov. John Connally of Texas was almost mobbed when he came in.

Ronald Reagan ... "I'll sign anything" if the hostages are released.

## Reagan briefed, Bush

By JOHN GEDDIS

WASHINGTON — The Carter administration is keeping the incoming Republican leaders fully informed on the Iranian hostage situation, but President-elect Ronald Reagan has not been asked to approve any U.S. agreement, Vice President-elect George Bush said Sunday night.

Bush, meeting with representatives of Texas newspapers, said he had been briefed twice in recent days on the apparent breakthrough.

"Everybody knows it's encouraging, but that's about all I'm going to say," he said. "I guess the answer is just to keep hoping these people come home."

President Carter has not asked Reagan for assurances that he would follow through on details of the hostage negotiations, Bush said.

Bush, meeting with reporters as part of a 15-stop round of appearances during the inaugural festivities, discussed a wide range of subjects and said he expected to be a "generalist" assigned to few specific programs in the Reagan administration.

Citing former President Lyndon Johnson's work on the manned space program as vice president under John F. Kennedy, Bush said, "I would

## 'Letdown' doesn't faze Mo

WASHINGTON (UPI) — Vice President Walter Mondale said Sunday he feels "some sense of letdown" on leaving office but would not trade the past four years for anything.

As for his future, he "may seek the presidency" and intends to remain in active public life.

If there is a "Mondale legacy," it lies in his relationship with President Carter, "in demonstrating an institutional change whereby the vice president becomes an important part of the presidency — it is an important change," he said on ABC-TV's *Issues and Answers*.

"For the first time in American history the president and vice president have worked together as a team ... enjoying an unprecedented close relationship," he said. "I have had access to him and to government

# What Price the Hostage

On the 300th day, the end game finally began. In Teheran, Ayatollah Ruhollah Khomeini blessed the militants holding the United States Embassy and gave his permission for the 52 American hostages to be handed over to Iran's revolutionary government. Prime Minister Mohammed Ali Rajai appointed a government commission to haggle over final terms for the release of the hostages, and he asked Algeria to serve as Iran's intermediary in dealing with Washington. Encouraged, one White House aide called those developments a major breakthrough. None of the hostages reached freedom by Election Day. But there was reason to hope that if the momentum held some or all of them might yet make it home in time for Thanksgiving.

# Making a Decision

College night this year was at Garland High School. Hosted each year by one of the four high schools, it gives Garland students an opportunity to compare colleges and universities before deciding where they will continue their education.

After an opening discussion, students and their parents attended three sessions with representatives from three different colleges and universities. They were given information about costs, entry requirements and other facts about each school, at these sessions.

## Sorry, not exempt

Two days at the end of each semester, the unfortunate have to appear at school for the dreaded final exams.

Lasting an hour and a half, these exams cover an entire semester's work and count as one fifth of the semester grade.

Students do have an opportunity to be exempt from exams, however. Those who can maintain regular attendance and passing grades find themselves with an extra two day holiday at the end of the semester.

Exams are a time honored tradition that some people would just as soon forget.

## The 50's live

For one day out of the year everybody put on their bobby socks, greased back their hair, and stepped back into the 50's.

This year students bopped to the sounds of "Dash Riprock and the Dragons," which set the mood for the rest of the day. People could be heard humming tunes like "Help Me, Rhonda," "Peggy Sue," and "Blue Suede Shoes" as they walked down the halls.

50's day was quite a success showing that the 50's still live on, in spirit at least.

# A little music helps

The tradition of concerts as school assemblies continued this year with the appearances of bands such as the Kim Yougren Band and Free Fare. The bands were invited to Lakeview by the Student Council to provide a break in the regular *routine.*

The Kim Youngren Band made the first appearance, and for a slight fee students could listen to hits like "Ticket to Ride" and "Lonesome Loser."

Free Fare's first concert was in the gym and the admission was free. They played such songs as "Never Been Any Reason," "Free Bird" and "Celebration." The concert was highlighted with skits on Star Wars *and Guitarzan.*

Their second concert was an evening performance at which admission was charged.

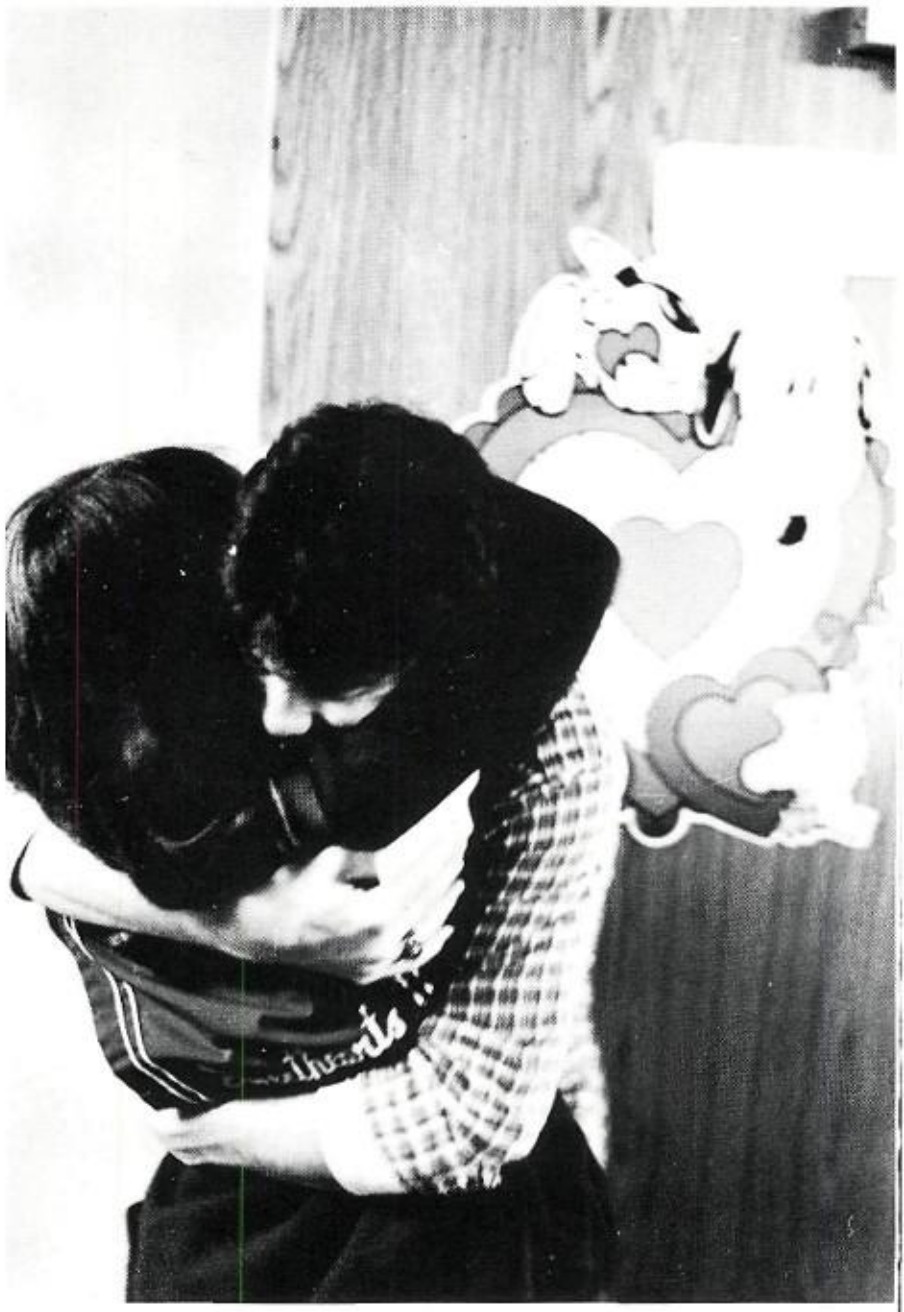
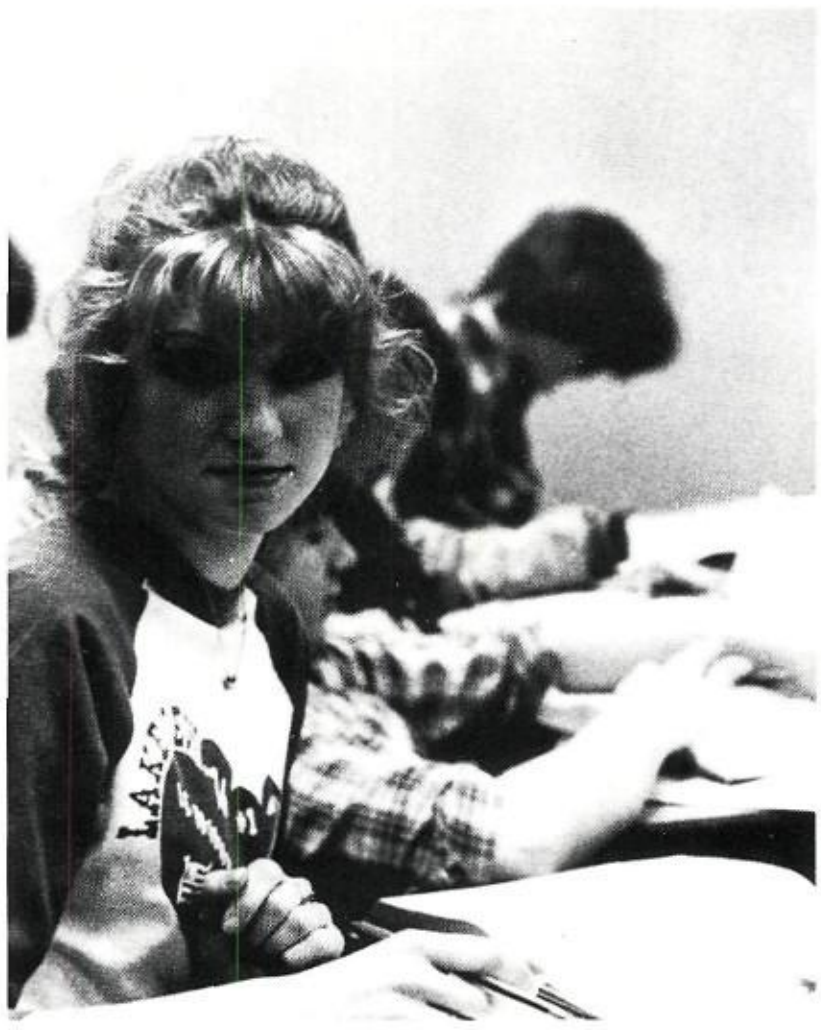
## Be Mine?

St. Valentine's Day came two days early this year because of a teachers in-service training day. NHS sold huge heart shaped cookies and Typing II sold Valograms to help get everyone in the proper spirit.

Friends exchanged gifts, cards, and flowers while girls tried to keep boys from winning their "hearts" by keeping silent. Rob Mowery managed to collect the most hearts and the $10 prize.



Love shows up on Valentine's Day.



No one is going to win my heart.

# Invitations surprise more than ever

Nominees for Legacy Honors received their invitations to the Awards Presentation February 6. Most were surprised to the point of screaming and crying, while others took it all in stride, as they were old hands at being nominated.

Receiving an invitation meant a student was one of the top four who received the highest percentage of votes from their classmates for one of several honors.

An invitation was also a notification that the student must attend the Awards Presentation February 14.

This year 106 students were nominated for Legacy Honors, more than ever before.

Nichols shows extreme excitement.

Donya is almost as excited as Shelley, Seema, and Bobby!

Student Council sponsored a drive before Christmas to help needy families.

# Student Council puts service first

Student Council is a vital part of any school. Under the leadership of sponsor Donna Hoffman, Lakeview is no exception.

Throughout the school year, Student Council works with the administration, the community and most importantly the students.

Early in the year, Student Council officers, participated in Registration and orientation. They escorted freshmen to their designated areas and were aides to counselors.

The Council made a special effort this year to promote sportsmanship and healthy intra-school relationships. Through an all-city pep rally and special friendship workshop, they are able to reach out to the community in effective ways.

A unique method of community involvement was the first Career Day at Lakeview January 30. Student Council, in coopration with faculty and administration, called on various Garland professionals to speak to Lakeview students regarding different types of careers.

Student Council's prime directive has been more than fulfilled this year as students were able to enjoy a unique Homecoming. The theme was "Under the Big Top" and the atmosphere was one of carnival fun. The Centennial Ball and Legacy Honors presentation was at its best this year as Student Council, in cooperation with the Legacy staff, produced a show of shows.

Yes, Sharon. Your backdrops for the Centennial Ball pictures were lovely.

# Choirs have another great year

During the past year Lakeview's choral department has grown bigger and better than ever. They have participated in many choral events and made a definite contribution to the school and community.

Late in October the Choir sponsored a haunted house that provided ghoulish delights for the Garland area. Choir members dressed in grotesque apparel in order to raise money for the Choral department.

During the holiday season singing Patriots visited the facility at Medical City and caroled at Richardson Square Mall. A Capella Choir won the "Most Popular" choir award in a competition that all Garland choirs participated in.

One highlight of this year's concert season was the fine Cabaret Show, "On Broadway." Choral members joined together to produce an entertaining evening complete with a lasagna dinner and short concert from "Freedom."

Under the direction of Marty White, the choirs participated in the "Sounds of America" competition held this year in Nashville, Tennessee. For the second consecutive year Lakeview participated and did extremely well.

# Expressing one's self through art

Painting, molding, sculpting, weaving, intricate sketching . . . these are the broad and varied fields in which the Creative Arts Club participates. Under the leadership of sponsors Betti Boring and Sharon Rogers, the club has been active in many school and community projects.

Many students entered the popular Garland Art Show and were extremely successful. At school, Art Club aided the Student Council with Homecoming. They helped do chalk etchings and assisted in decorating the cafeteria.

Unlike other clubs, the Art Club specializes in a specific craft. As a club, they are constantly striving to improve their personal skill in areas of art and crafts.

# Speakers active in competition

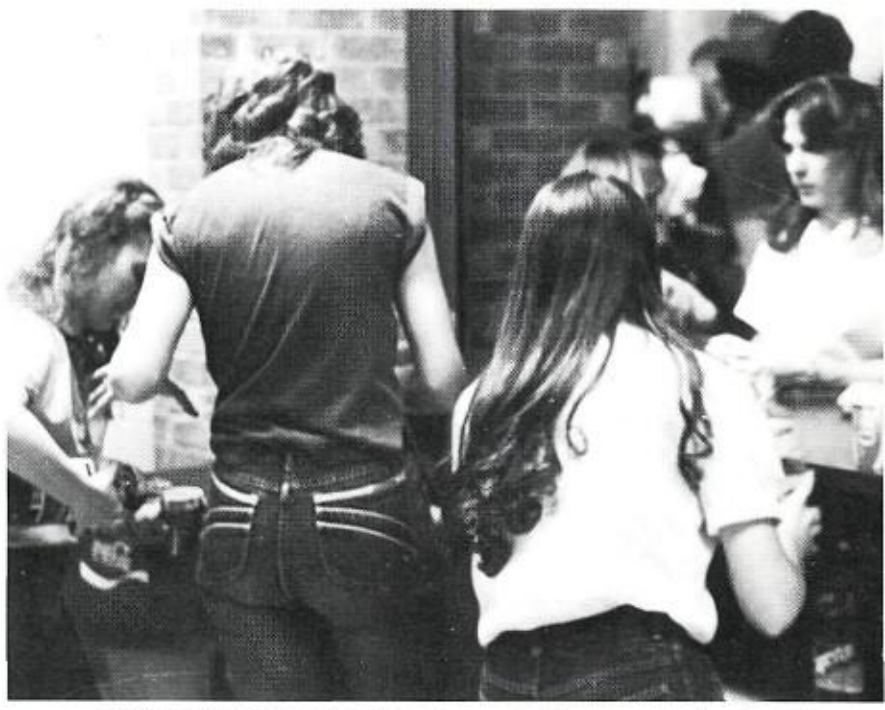
The ability to speak effectively is a highly valued trait. High school is a good training ground for speaking skills.

The Speech and Debate Club is active in many areas of competition. At each contest, Lakeview is represented in duet acting, story telling, prose, group improvisation, and debate. The speech team has participated in tournaments at Skyline and North Mesquite, three Lions club contests (winning two), and Rotary and Optimist Club contests in the Spring. Participants in the Optmist Club contests were expected to present a seven minute speech on a chosen topic. Rules for the Rotary Club contest were along the same lines as those for the Optimist.

Last year two members of the Speech Club who participated in these contests advanced as far as the state level. One of these girls was the state champion.

The Debate Team really puts forth an effort to get their point across.

Mrs. Greebon discusses the latest NHS project with Susan Cox.



NHS members worked long hours in the concession stand.

# NHS recognizes grades, citizenship

There are many different extra-curricular activities that all high school students, and especially seniors, love to participate in. With all the fun activity it is sometimes hard to maintain good grades. Lakeview's National Honor Society is especially designed for the student who is capable not only of participating in the fun, but who can also maintain an 11.5 grade average.

This year, the National Honor Society has been hard at work. They have been operating the concession stand at basketball games, plus they have sold goodies at various times of the year. During Valentine's Day, NHS sold Valentine cookies and delivered flowers.

At the end of each year, NHS, under the leadership of sponsor Sheila Greebon, awards a scholarship to it's most outstanding member.

In order to be inducted into NHS, students must maintain a grade point average of 11.5 and must be good citizens.

# Holding the mirror up to life

"All the world's a stage, and all the men and women merely players."
Shakespeare

Life is a stage to Lakeview's Thespian troup. These talented artists are involved in many aspects of theater. Thespians participate in story telling, duet acting, group improvisation, and have held workshops at various elementary schools. Each year they are involved in a drama department production. This year's performances of "Night of January 16" were successful, as was their UIL competition play "The Cave Dwellers."

Under the leadership of sponsor Kim Stinson, Thespians went to a convention in Austin and performed duet acts and monologues. Many hours of practice go into all drama and this year's Thespian troup's events prove it.

Mr. Stinson "encourages" Kim McLaughlin to join the Drama Club.

# Band activities varied

Rifle Corps #1

Although the band adds a lot of color to the halftime shows at football games, that is not the only thing they do. During concert season the marching unit is divided into three bands, the honor band, symphonic, and concert band. They attended concert contest March 11-12 here at Lakeview expecting another Sweepstakes trophy. Sweepstakes are awarded to a band receiving a first division in marching, concert, and sight reading.

I'm a dork!

The Patriot Band acted as Garland's Ambassador to Florida during their trip to Daytona Beach. They competed in the Daytona Beach Music Festival and marched in the Character Parade at Disney World's Magic Kingdom during the time they spent there.

This year was a year of changes on the marching field. With a new director, F. J. Shaack, the band took on a new style. They went from strictly show band to corps style, show, and added dance steps to "A Chorus Line."

The 173-member band marched in two parades and competed in several contests. They received second place at the SMU Band Day, fourth place at the Parade of Champions in the Cotton Bowl, and for the fourth straight year were awarded a first division at the UIL marching contest.

# Giving service to school, community

Sponsored by the Lake Ray Hubbard Kiwanis Club, Key Club is founded on the principle of service to the community and school. This year's members have got the year off to a great start by helping the Student Council with preparations for the Homecoming dance. The Key Club was responsible for the balloons that were released during the coronation, and they also sold blue and gold balloons at the game.

In addition the club sponsored two victory dances during football season. Help was provided by many members at the annual Turkey Shoot sponsored by the Kiwanis Club. There are two community service projects each spring and a series of scholarships given to senior club members each year.

This year's hard-working Key Club officers are Robert Barr, President, David Buchanan, and John Porter; co vice-presidents and Kathi King a Erna Grasz, assistant secretari Britt Kelly, treasurer; and Jim Ir sheriff. Also included on the boa are two senior class representativ Margie Young and Kirk Fiel juniors, Cheryl Rogers and Ke Dowdle; sophomores, Suzann Fly and Jeff Stamey; and freshma Sheila Neilon.

National Beta Club is a national honorary service organization designed to promote school and community service activities. This year the Beta Club has focused on helping NHS in various activities.

A major fund raiser for Beta Club was the Easter season Hop-a-Grams. Club members dressed as bunny rabbits delivered Easter greetings to anxious Patriots.

At the end of this year all Beta Club members became eligible for membership in the prized National Honor Society.

Under the leadership of Mrs. Barbara Caldwell, Beta Club is an active part of the goings on at Lakeview.

Mrs. Mabry discusses the latest club plans with Crissy Arruda and Donya Davis.

# Parlez-vous Francais?

Do you speak French? If so, you are well qualified to be a member of the French club. The French club members this year sold European candy.

Every year, all the foreign language clubs participate in the November food festival and the foreign language Olympics in May, both of which were a big success. The French students also participated in Fete Francaise at SMU, an academic and cultural contest for high school students of French, sponsored by the North Texas chapter of the American Association of teachers of French.

The French club has a progressive dinner at a students home in the Spring sampled; many French foods. The French club also went caroling in December and had a Christmas party.

# Students learn Spanish life, customs

A knowledge of Spanish is especially helpful to those of us living in a state bordering Mexico. Many members of the student body are presently taking Spanish and a majority of these people are members of the Spanish Club.

Through classroom work and club discussions much is learned about daily life in Spanish speaking countries.

During February the Spanish Club had a guest speaker, Carmen Taffola, artist in residence for the Garland school district. She shared her knowledge of Spanish dialects with club members and also the Spanish classes. Miss Taffola is a specialist in foreign languages.

At the annual Food Fest all four foreign language clubs got a taste of authentic Spanish cuisine. Spanish Club also participated in the Foreign Language Olympics in the spring.

Mrs. Cox helps a student with his Spanish.

# German clubbers busy group

Sprechen sie Deutsch? Well, a group of our own students can – speak German, that is. The German Club members are kept busy by their sponsor, Mrs. LeMaster.

By the end of the school year, they had sold Gummi Bears, attended the TAGS (Texas Association of German Students) Convention in March in Arlington, and participated in Lakeview's International Olympics competing against the other three foreign language clubs.

German club officers are: Bryan Dickerson, president; Gary Aufforth, vice-president; Debbie Noack, secretary; Howard Shaw, treasurer; and Lori Jolly, historian.

# Club activities many, varied

Latin Club officers and members were kept busy this year with several projects. Many of them pertained to the study of Latin, however, a few were along other lines.

Brownies and cookies were sold at the club's bake sale during Halloween. Valentine's Day marked the annual rose and carnation sale. Flowers were delivered during the day. Latin Club members made their contribution to the candy floating around school also.

In March the club made their yearly trip to The Magic Time Machine for their Roman orgy. This event is more innocent than it sounds. The restaurant serves authentic Roman food, and has dancing girls for entertainment.

A scholarship was given this spring to a senior member selected by the Latin Club.

# Sweethearts on the road

The Yankee Doodle Sweethearts have been on the road all year, sweeping the country with spectacular performances. They have performed everywhere from Dallas to their spring visit to the nation's capitol, Washington, D.C.

The first stop the Sweethearts made was at the American Drill Team camp at SMU. Sweethearts efforts were rewarded with trophies and numerous first, second and third place ribbons.

As the road grew longer and wider so did the intensity and determination of the Sweethearts. They were invited to perform at a Dallas Tornado half time, then they participated in the KNUS-SMU Drill Team competition at Texas Stadium. Though hampered by unfavorable weather conditions, the Sweethearts were able to bring home a third place trophy.

During February the Sweethearts produced a stage show, "On the Road Again." The production had a country western flavor and proceeds went towards the final stop of the Sweethearts 1980-81 journey, Washington, D.C.

The Sweethearts were the only Garland Drill team ever to journey out of state. Their destination in Washington was the Cherry Blossom Festival where they performed on the steps of the capitol for President and Mrs. Reagan.

The journeys of the Sweethearts have been both rewarding and exciting. But under the able leadership of sponsor Joyce Pennington each of the Sweethearts has learned something about their country and themselves.

Officers Tracy Bean and Cindy Traywick present the trophy won at the SMU Band and Drill Team Day.

# Liberty Dolls help promote spirit

The junior varsity drill team, the Liberty Dolls, was active throughout football season. At any home game they could be found in the stands directly behind the cheerleaders joining in on the cheers and chants. Under the direction of sponsor Mrs. June Williams, they also participated in the Friday afternoon pep ralli doing hand routines along with tl Sweethearts.

The girls performed during the a nual J.V. pep rally the week of tl South Garland game.

Many of these girls will go on to l next year's Sweethearts.

Minute Men know Lakeview is Number 1.

Patriot — Robert Barr

# Building spirit; building pride

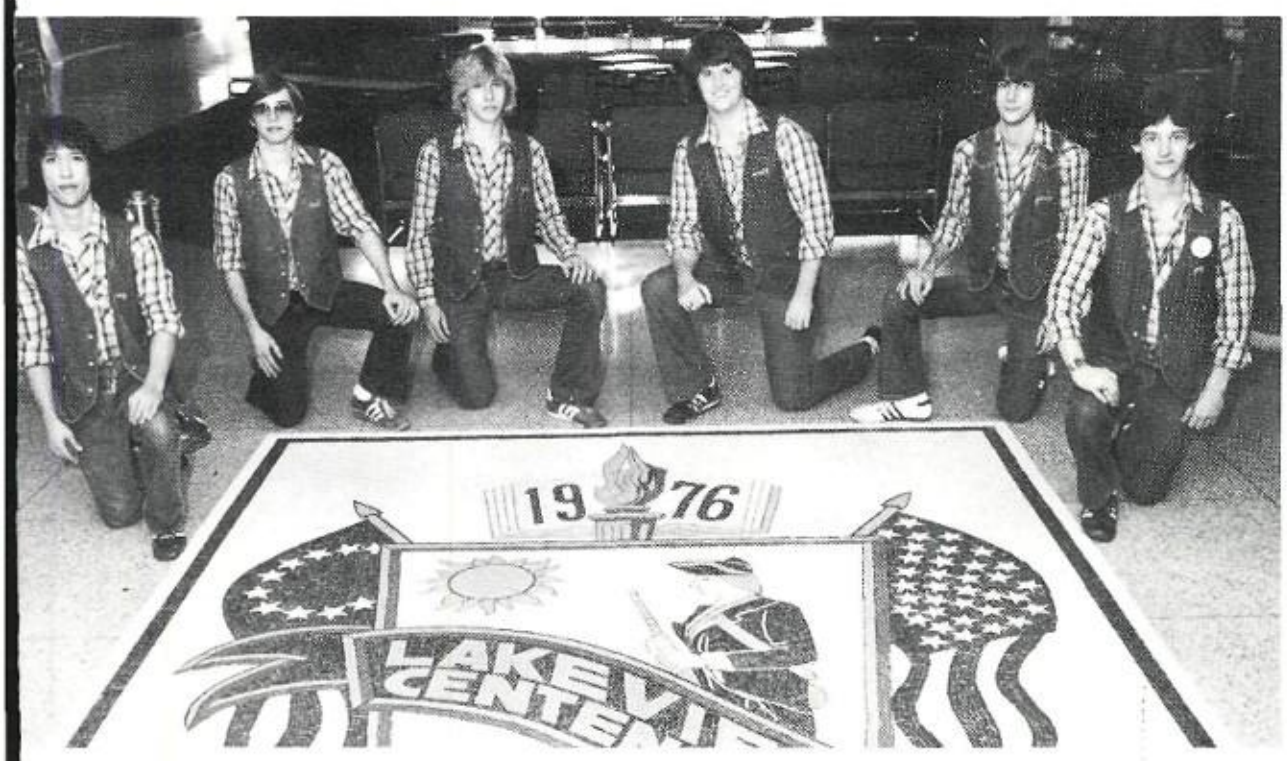
Lakeview's Minute Men and Patriot play vital roles in the life of Lakeview.

Under the sponsorship of Larry Kerbel, the Minutemen help the cheerleaders with their stunts and help promote Patriot Pride and spirit throughout the student body.

There are six Minutemen, five of whom are seniors and one who is a junior.

Robert Barr is this year's Patriot mascot. He was selected on the basis of his essay concerning Patriot Pride. The Patriot mascot has long represented what Patriot class and spirit are all about.

Enjoying a few minutes of calm before the game begins.



Minute Men : Larry Adams, Davey Baron, Gary Rose, Scott Burgess, Jimmy Gardner (captain) and Jay Dial.

# Varsity Cheerleaders build spirit, pride

Cheerleaders have always been associated with school spirit and good sportsmanship. This year the Varsity squad has done a good job promoting both. The girls went to camp during July at the University of Oklahoma and went to work on a middle school clinic as soon as they got home. Long hours of practice continued through August, as they prepared for football season.

When the time came for the first game of the season the cheerleaders were ready for the year. They sponsored many spirit days, all of which went over well. During the week of the game against Garland High, the two cheerleading squads got together and held a unity pep rally at the junior high field.

Each year the Varsity and Junior Varsity go together to sponsor Lakeview's 50's day. This year Dash Riprock and the Dragons rocked and rolled us down memory lane.

The busy schedule the girls keep was not over after football season. Basketball games, beginning in mid November and continuing through March, caused more hard work. For the first time the cheerleaders traveled to all pre-season games. All eight girls are always glad when the end of the year finally comes around so that they can relax.

Cheerleaders round up spirit.

# JV season never ends

After attending a week long clinic at the University of Oklahoma, the cheerleaders were ready to begin a busy year. They served on the staff at the Middle school clinic in July. By this time, they were eager for the start of football season.

J.V. cheerleaders were active at the Friday pep rallies. They performed one cheer and led the sophomore class chant each week. During the week, each girl helped to decorate the lockerroom and to make spirit signs to hang in the halls.

At the end of the season, the girls held the annual JV pep rally. They did a pom-pom routine and one skit. Since it was the last week of the season, the football teams' lockers were also decorated.

The schedule during basketball season is less hectic. The JV cheerleaders attended all home games and also traveled with the team to the out-of-town games. By the end of the season all six girls received a well deserved rest.

# Frosh cheerleaders learn quickly

Twelve girls were chosen fresh out of middle school as Lakeview's freshman cheerleaders for the 1980-81 year. Many of them had never cheered before, so not long after school was out they were meeting with their sponsor, Julie Driscoll, and practicing long, hard hours.

They attended camp with the Varsity and Junior Varsity cheerleaders at the University of Oklahoma early in July and helped host the Garland Middle School clinic, here at Lakeview later that month.

When football season began they led the freshman class in their class chants at the pep rallies each Friday and decorated the dressing room each week.

Following tradition, during this last week, they held the annual freshman pep rally, which was the most successful yet. The cheerleaders kept up the hard work during basketball season cheering at the freshman games.

# FCA promotes spirit

Lakeview's Fellowship of Christian Athletes is active in promoting good sportsmanship. Despite the name of the club, band members, Sweethearts, and cheerleaders also belong to FCA. The group meets weekly in a time of fellowship and learning.

Club members have enjoyed many guest speakers including John Cramp, youth director at First Baptist Church in Garland; Larry Tedder, a representative of the Dallas FCA office; and Walter Watson, father of one of the members.

Each year an FCA convention is held for members from all over the state, and three officers from Lakeview planned to attend this year's convention in Houston January 16-18. During the summer each year a group of club members attend national conferences. The conferences offer many workshops on the purposes of FCA.

A retreat is planned in the spring for FCA members in Crandall, Texas. There are also plans for future meetings with other FCA chapters in the Garland area.

This year's slate of officers is headed by President Mark Hamblin. The rest of the board consists of vice president Scot Thomas, secretary Kathi King, treasurer Jim Barnett, and historian, Debbie Plaster.

"Coach" Hamblin lays out the game plan life.

# Members find fun in problem solving

There is a breed of student at Lakeview that can only find contentment through true bafflement. The breed are those honor math students who belong to Mu Alpha Theta, a national Math fraternity.

For recreation and relaxation these computer minds devise and work hard on impossible math problems.

Mu Alpha Theta members, under the leadership of sponsor Dr. Vis Mudely, have been busy participating in honorary math tests. Several geniuses qualified for the Atlantic-Pacific Math tests which were given several times during the year.

Requirements for membership in Mu Alpha Theta are simple, if you are a budding genius. You must earn and maintain an A average in any math class.

# Tomorrow's Hemingways practice their art

Lakeview's budding journalists can be found in A105 every day during fourth and sixth periods. This is the Publications Department where both the newspaper and yearbook staffs put their creative genius to work.

Our answer to the Garland Daily News appears as The Sentinel. Editors Shelley Miller and Dee Muhlinghaus and their staff put in many hours of hard work covering the news at Lakeview. Current events, features, interviews, reviews, and sports coverage can all be found in the pages of the Sentinel. Special editions are also put out covering such events as Homecoming and the Legacy Awards Presentation and Centennial Ball.

Great authors of the future receive their chance to appear in print in the annual issue of Lagniappe, the literary anthology published each spring by the organization of the same name. The Lagniappe staff accepts material from student poets, novelists, and short story writers throughout first semester. The book is edited and sent to the printer in the spring. The finished product is a collection of high quality works.

Each May another volume of the Legacy is put on the shelf with a ne set of memories in it. The staff divided in two groups, an editori staff and a business staff.

The editorial staff, headed by ed tor Scott Richey, began work befor school started and ended Februa 25, on the final deadline. During tha time they did layouts, wrote copy an captions and put together the book.

Business manager Lisa Dockir and the business staff sold ads, yea books, and school pictures. They al published the student director Lakeview Lineup.

# DECA offers earning while learning

Through the skills taught at Lakeview's vocational programs, members of DECA are able to go to work in the business world. They are taught useful skills that enable them to be effective and successful professionals. Through this program students have the opportunity to earn credit and to receive payment while doing so.

Those students participating in Lakeview's DECA program attend classes here until fifth period, then leave for their jobs after classes have been completed.

Counselor June Hill has been very much involved in this program and has been responsible for enlisting many of it's participants.

Students are particularly fond of this program because it is an accredited program that allows them to earn extra money. Monetary value is not this program's only asset, however. Many of the classes students must take deal with their responsibilities and rights as employees. The classes also teach the opportunities and responsibilities of management.

Under the leadership of sponsor Phyllis Peniche DECA has become a favorite program of students and employers.

# FHA — more than cooking, sewing

With the age of equal rights upon us, more and more boys are becoming involved in Future Homemakers of America. The homemaking classes have not lost popularity with the girls, either.

Again this year, Lakeview's FHA sponsored several breakfasts and receptions. The club, however, had no major fund raising projects.

A new activity was added to the program this year. Creative Crafts Night was held once a month. During this time, participants learned a new craft, such as painting, knitting, crocheting, and needlework.

HERO (Home Economics Related Occupations) is also part of the Homemaking department. This group is for the advanced students interested in making Home Economics a career. Members were exposed to such professions as cooking, floral arranging, and nutrition.

# Enjoying the great outdoors

This year's Woods and Waters Club, sponsored by Coach Stan Dunavant, was slow in getting started in the fall. But, when spring came, the club's calendar was filled with fun and adventurous activities.

Canoeing, one of the club's most memorable activities, consisted of more gallivanting in the water than rowing in the boat. And perhaps you might recall the time club members came to school looking like bowlegged cowboys. This was the result of a day spent on the ranch with the tamed . . . and the untamed . . . horses.

Other activities on the club's calendar included fishing, camping, and target practice.

# Girls prepare for office careers

OEA offers a two year program for those girls interested in a business career after high school. The Office Education Association has a prelab program for juniors and seniors, and co-op for seniors only.

Members of the club run the OEA store which is open before school and at break. The store sells school supplies.

Members made a trip to the Putnam Half-Way House in Lindale and gave the residents a Christmas party. This served as the annual service project.

Lakeview's OEA was represented in an area contest at East Texas State in Commerce, where participants competed in skills competition and received awards for first, second, and third place. They also sponsored Vocational Education Week in February.

After completing two years of prelab training in their fields, students move into the ICT program. ICT, Industrial Co-op Training, is the link between high school and the business world. All the trades taught in the Vocational Education program are covered by ICT.

Mr. Bruce Warburton, sponsor, supplies jobs for the members of this group in the working world. As they continue in their careers his job is to follow them to their jobs and monitor their progress.

ICT is another example of how high school can prepare students to go into their chosen fields immediately upon graduation.

Woodworking, and plastics are also taught in the vocational wing. Students taking either of these classes are eligible for membership in the Industrial Arts Club.

These people gain practice in working with hand and table saws, routers, and lathes. Club members construct objects ranging from small plaques to large dining tables.

Projects made by the members were entered in district and state VICA competitions. Their fine craftsmanship was highly rewarded.

# Preparing to compete in business world

Members of FBLA are looking ahead to their future. Students in the club participate in the business courses offered at school. By taking part in the club's activities they are assured a solid background for their start in the working world.

Aside from looking to the future, FBLA members get involved in the festivities at Christmas by holding their annual party. Children from the Buckner Children's Home are brought to school and "Santa Claus" delivered each child a present. Not only was the party the annual service project but it also served as a break in their routine.

# Preparing to guide tomorrow's youth

Where ambition leads, skill more than likely will follow. Such is the case for members of Future Teachers of America. Due to their will to learn they will become the skilled teachers of tomorrow. Under the leadership of sponsors Tina Hendryx and Fern Roberson, students learn about the advantages and disadvantages to being teachers.

Future Teachers did not limit themselves to just learning about the teaching profession. They also helped local teachers.

During Open House, club members helped to make apple shaped name tags for each of the teachers.

Future Teachers of America also put into action several springtime fundraisers in order to benefit next year's organization.

By learning about the profession that each of them wishes to enter, Future Teachers of America strive to become the best that they can be.

# Learning through experience

The plumbing students at Lakeview are taught the basics of the trade. Beginning students in the two year program are taught the workings of both porcelain and metal piping. By the end of the course, each student is prepared to enter the ICT program and go into the working world.

Another trade taught in C Wing is Marine Engine Repair. This, too, is a two year program. Instructors focus mainly on the repair of small outboard motors. An occasional inboard is brought in the shop.

Like the other trades taught in the vocational department, other engines are brought in by customers to be worked on by second year students. It is by this practical experience that students are able to gain the skills needed to be successful in the working world.

## Learning a job skill

The techniques concerned in the repair of both the inside and outside of a car are taught separately as three hour courses at Lakeview.

Auto Mechanics covers the basic functions of an engine. Along with this, students learn to repair these engines by actually working on cars. These cars are supplied by both faculty and area residents.

Students enrolled in Paint and Body are instructed on the priming and repainting of cars. By the end of the two year program, each person is equipped with enough knowledge to go out into the working world in either of these two job areas.

# Learning to house America

One of man's basic needs is that of a place to live. Homes are always in demand, and people in construction can find a job easily.

Several students are participating in the building trades courses offered at Lakeview. The classes practice building by constructing scale models of buldings. The beginning of the two-year course consists of a mini-lesson in wood types and their uses.

# Students compete with vocational skills

The skills required to draw up the blue prints for the buildings of tomorrow are being taught right here at Lakeview. Students are taught basics of drafting and the first semester comes to an end with the students drawing a dream house.

As a group, Drafting participated in the district and regional VICA competitions in March and April. They took preliminary and advanced drawings to both levels.

Students in the welding program are taught three different forms of the trade allowing them to become more versatile in the working world.

Lakeview's welders also attended district and regional contests. Some projects went on to higher levels of competitions.

# Just What Is a Winning Season

"... We'll send the Blue and Gold to victory. P-A-T-R-I-O-T-S, Patriots!"

Yes, you guessed it. It's Friday at Lakeview, the school where the spirit never dies.

The excitement and anticipation of the Friday night game began on Friday morning when school first opened. As one walked down the halls all he could see from side to side, in front of him and behind him, was Blue and Gold. Talk of the game was so strong that one could hardly hear himself think.

The pep rally was the final thing to get everyone fired up, people screaming, jumping up and down, pushing and pulling for Lakeview.

Anyone who was still not pepped up would be as soon as he got to the game and saw Erna Graz rocking to

Suddenly the crowd stoped dancng and started yelling, the band switched the tune to the Lakeview "Fight Song," and the Sweethearts grabbed for their pompoms. It sounded like a touchdown, and sure enough, it was.

When the wild screaming finally died down, the first question was, "Who made that touchdown?" Someone immediately answered, "Who do you think it was? It was Bob Kearney, of course."

Bob, Lakeview's quarterback, accounted for a lot of the Pats yardage this year. He carried the ball 140 times for a total of 540 yards rushing. He passed for 561 yards, with 33% of his passes completed. A threat on defense as well, Bob was awarded the Blue Chip Award for defensive back.

The Patriots lost the battle against Adamson by one point. The final score was 7-6. But that did not stop the Patriot Pride at Lakeview. It seems that nothing could stop Patriot Pride from shining. The Patriot team, restricted by injuries, played a well fought season, and fans were proud of them for doing their best.

One game that stands out in fans' minds is the one we came so close to winning, and that was the game against the Wilmer-Hutchins Eagles on October 17. This was the Pats'

sixth game of the season.

As Patriot fans remember, Sebastion Roberson scored the first touchdown for Lakeview early in the second quarter, and before the half Trey Cockrell scored another six points. At halftime, the Pats were ahead by a score of 15-14.

After a 38 yard field goal by David May and a touchdown by James Jackson in the fourth quarter, the Pats were leading 25-20. Toward the end of the game, the Eagles broke through the Patriot defense and won the game 32-25.

Lakeview's season was not a victorious one, but the Pats never gave up. Players and fans alike went to every game with a positive attitude, an attitude of winning.

# Freshman Blue

The Freshman Blue team finished the season with a 4-6 record.

The offense was led by James Pulley, Mark Draham and Page Ralston. Bobby Watters, an outstanding passer, was the starting quarterback.

The Blue team's defense was, perhaps, its strongest point. The top defensive players were Clay Davis, Jay Monroe and Mike Bullock. Leading the secondary was Mark Hamblin.

In the game against North Garland, the Pat defense came out on top as the Lakeview team held the Raiders scoreless and won the game 6-0. After battling for three quarters, the Pats surprised N.G. with a quick kick on third down, pinning the Raiders on their own 10 yard line.

On the Raiders second play, their quarterback dropped back but an aggressive Patriot pass rush forced him to pass before he was ready. Clay Davis intercepted and returned the ball all the way to score the touchdown that won the game for the Freshman Blue.

# Freshman Gold

The 1980 Freshman Gold team had a fantastic season with nine wins and one loss. This was one of the best records produced by a freshman team.

The offense was led by the rushing of Terry Dorathy, Brian Kurth and Sammie Jeans. Quarterback Ken Ferrell had a good year running the offense.

The Patriot defense was a big key to a successful season posting four shutouts. Defensive ends Brad Lucky and Kevin Shoves along with linebackers Dorathy and Chris Garcia led the team in tackles.

The South Garland-Lakeview game was all that would be expected. The Pats got off to a first half lead 12-0 with a two yard touchdown from Ferrell and a 65 yard touchdown from Kurth.

The second half was a different story with two touchdown passes from the Colonels. The Patriots received the ball on the 30 yard line with 1:30 left in the game. Ferrell's passing attack drove the Pats down to the S.G. two yard line, with four seconds remaining. Darathy carried over for the T.D. on the last play of the game giving the Pats the win 18-12.

The Gold Team gains yardage.

# Roundballers have big shoes to fill

After compiling a 25-9 record in 1979-80 and winning the first half district championship, this year's Patriot basketball team had big shoes to fill.

The Patriots returned 5 members from last year's fine squad along with seven members of last year's junior varsity team. Two year letterman, 6'7", Jeff Culbreth brought size and a fine shooting touch at the post position. Charles Clark returned at point guard along with Mike Franks, Jeff Barger and Bruce Brookins. These men were back for another year at the forward positions.

The versatility of 6'4" junior Mike Wiebold allowed him to play guard and forward, as well as post.

Ron Rollinson, Rob Mowery and Bobby White saw action at the wing positions. Wade King and Tommy Epting occupied guard positions.

The Pats started off with a lopsided 56-36 win over the W.T. White Longhorns on November 15. Next, they lost a 68-56 decision to Dallas Skyline in three overtimes.

The Richardson Eagles handed the Pats their second loss with a 67-57 win. The Lake Highlands Wildcats lowered the Patriots record to 1-3 with a 59-42 win.

The Pats broke their slump with a 44-43 win over Newman-Smith, Bruce Brookins' layup at the buzzer provided the victory.

In their finest game of the season the Patriots soundly defeated the Berkner Rams, 66-48, to even their record at 3 wins and 3 defeats.

The Pats participated in the Irving Invitational December 4-6 and returned home with the second place trophy.

In the opening round they got revenge on an earlier loss to Lake Highlands and defeated the Cats 47-44.

In the semi-final game against Thomas Jefferson, the Pats held T.J. to seven points in the first half and led 24-7 at intermission. Lakeview held on for a 52-38 win and a berth in the championship game.

The Pats placed their four game winning streak on the line in the championship game against Irving MacArthur. The Cardinals jumped out to a 31-11 lead and never looked back as they knocked off the Patriots 61-43.

The North Dallas Bulldogs overshadowed a 27 point performance by Culbreth and defeated the Pats 67-56.

The Patriots got back on the winning track with a 50-49 victory over Seagoville.

# Experience Strengthens Team

The golf team was strengthened this year by having more experience than in past years. The team, headed by seniors David Harvey, Lucian Kuecher and John White, should have proved competitive during the 80-81 season.

Depth will make it competitive for years to come. Juniors Chip Wilkinson and Todd Pines and sophomores Daniel Smith and Blake Ballard, as well as Freshman golfers Keith Guyon and Jim Parker, are part of the added depth Lakeview has the luxury of having.

The Mesquite and Lewisville invitationals ended with Lakeview finishing in higher contention than ever before. As the Legacy went to press, Coach Knight and the team were looking forward to the spring tournaments to prove that the Lakeview golfers were top contenders in invitational tournaments, as well as in district tournaments.

Velda Ziegler is Lakeview's sole female golfer. She participated in the Irving Invitational Tournament and R. L. Turner Tournament.

# Tennis Takes Over

In the 70's, tennis came to the eyes of the nation and it rivaled football and baseball in popularity. It was not only for people who like to watch sports, but was something people could participate in and enjoy. Now, at the beginning of the 80's, it is still going strong and at Lakeview it is better than ever.

In past years Lakeview has been a big contender in the battle for district championships. This year there were many new faces on the court along with the familiar faces of the Past. This year's freshmen made a difference on the playing performance of the team. They worked well with the seniors and other returning lettermen to make up one of the best tennis teams Lakeview had ever had.

Along with the regular district matches, they also competed in a number of tournaments including Duncanville, Dallas, Plano, and the L.D. Bell Invitational.

In the fall they played in 24 matches and tournaments in preparation for district. "They work hard all summer long, even when they are not in school. They are the hardest working bunch of kids I have seen," said tennis coach Linda Drake.

# Where Patriot Pride begins

Lakeview's administrators are constantly striving to promote confidence and pride in Lakeview and the community. During this past year, they have made a special effort in the area of sportsmanship and the now famous Patriot Pride.

Throughout the year, Principal Pat Chumley and Assistant Principals Andy Coleman and Gary Rehm have encouraged Student Council and other student organizations to institute activities that encourage open communication and friendship within the Garland Independent School District. There have been workshops, joint pep rallies and various other activities that accomplished much in these areas.

Along with asking students to appreciate and respect city rivals, the administration has encouraged students to be proud of Lakeview. Through messages on the public address system, and personal example, the administrators worked diligently to prove that Patriot Pride is alive and well at Lakeview.

The administrative end of Lakeview manages to run the school with efficiency while remaining friends to both students and faculty.

Mike,

This year has been fantastic. I know several times we have had some disagreements, and some pretty major ones, but we're still friends. Can you believe we are going to be Seniors? I can't wait. I'm proud of you for getting rifle captain. Make them work hard.

Keep in touch over the Summer.

mike-

thanks for being such a good looking dependable friend! I can't tell you how much I appreciate EVERYTHING you've done for me! (thanks for the pill!)
I know we don't really get to do much together for obvious reasons
But maybe there's still time for us!

Love always,

Mikey,

Well its been another year and again we've both lived through it. Just think, one more year and I don't have to look at you anymore. All us officers will do a great job next year. Have a great summer and don't forget, we have to go to 6 flags again some time. (Or maybe will change our minds and go to stadium. Keep in touch

To Mike;

A super sweet guy! You'd better be good at publicity next year in band, or else! TEE HEE ☺ Have fun over the summer & "try" to stay out of trouble.

Take care & stay sweet!

Love ya,

Lisa Wills

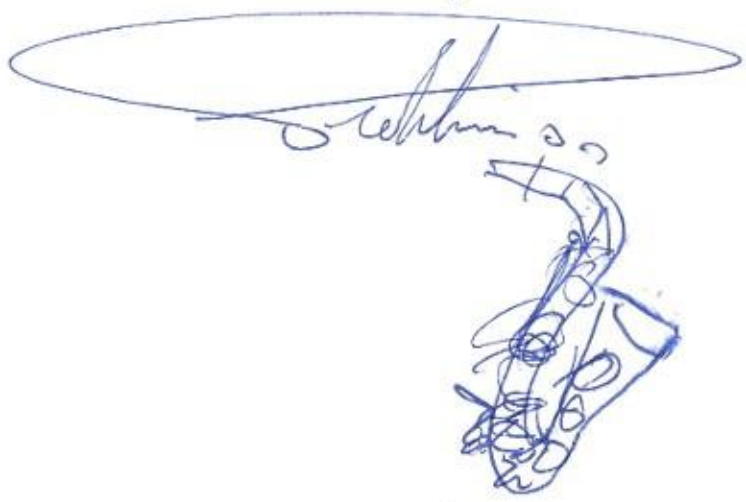
*The class of ~~84~~ 83 would like to thank Mr. Tom Poore for his time, support, and dedication.* FOR ROBBIE GRIFFIN ONLY!

Mikey,
you are a real sweet fellow. I can't believe that it's already Summer. We're going to raise Some (Hell)!! It's been a lot of fun this year. Remember when the Pepsi place wouldn't buy an ad so I pissed on the front lawn at 3:00 in the afternoon. I hope that Next year is just as crazy. Stay funny. & Can't wait till ~~dept~~ graduation this Summer.



P.S. Put your finger in your ear.

Special thanks to members of the Publications Department who helped us so much . . .

Sharon Anthony — for all the copy

Donya Davis — for doing a little bit of everything.

Razelle Cox — for helping News.

Also, for help with last minute details . . .

Susan Brazil, Kirk Fields, Mike Franks, Pam Faulkner, Rob Mowery, Chris Garrett

Our thanks to those people who helped us and who put up with us throughout the year . . .

Mr. Chumley, Mr. Coleman, and Mr. Rehm — you were very tolerant of our "unusual" staff.

Mrs. Greebon — You're the only person we trust to take our staff picture.

Mrs. Driver and Miss Driscoll — Scott should be back in class by now.

The remainder of the faculty and staff — You are patient and understanding. That made our job easier.

Kim Stinson and Marti White — This year's Legacy Honors Presentation was the best yet.

Susan Cox — You made this year soooo easy.

And while we're on the subject of the Legacy Honors Presentation — special thanks to Andy Coleman, Lakeview's answer to Johnny Carson.

As this year fades into the darkness of our minds, we realize that the tomorrows of this year lie in the past. We cannot live in the past, we must live and build for the future.

To the seniors at Lakeview, I hope your future will hold the success and happiness that you seek in life. The future holds our lives, hopes and ambitions. Only there will we find them.

To the students and faculty of Lakeview who remain behind, I hope you will continue to build the traditions and Patriot Pride established throughout this year.

There is no greater or sadder moment in life than to be a graduating senior at Lakeview Centennial. Leaving this school will bring tears to us all. This deep feeling is only obtained through time, effort and dedication to Lakeview and what it meant to us all.

As a graduating senior, I would like to encourage the underclassmen to continue to maintain the standards set this year at Lakeview. Only by doing this will you share in the emotion that touches the hearts of the class of '81.

When you come to the end of a perfect day,
And you sit alone with your thought,
While the chimes ring out with a carol gay
For the joy that the day has brought,
Do you think what the end of a perfect day
Can mean to a tired heart,
When the sun goes down with a flaming ray
And dear friends have to part.

Well this is the end of a perfect day,
Near the end of a journey too,
But it leaves a thought that is big and strong,
With a wish that is kind and true,
For mem'ry has painted this perfect day
With colors that never fade,
And we find at the end of a perfect day
The soul of a friend we've made.

Mike,
Boy it was swell having you with us Sunday
Wish you (we) could've talk about it (would've) stayed

Mike,

(Get High!) Ooo, you crazy M.F.! Gosh, I don't mean to embarrass you, but your fly is open and I can't see nothin'! Oh well, I'm really very glad that we've become friends. You are outgoing and aren't afraid to do anything. Your party was a blast but I'm sorry that it was so wild. Keep practicing your ~~Sax~~ sax and you'll get far in music. Kick everyone's ass during marching season, especially LAKE HIGHLANDS.

Call me this summer.

Gotta run that

Mike,
Sometimes I
can't believe some
of the things that
you do! I'm really
glad that we are
friends this year
and I hope we
can even get to
know each other
better. Love ya,
